If you are already on the Purchase Bureau's bidders mailing list and you need to change your information, contact Bid List Management at (609) 984-5396

1.0 INFORMATION FOR BIDDERS

1.1 PURPOSE AND INTENT

This Request for Proposal (RFP) is issued by the Purchase Bureau, Division of Purchase and Property, Department of the Treasury, on behalf of the State of New Jersey. The purpose of this RFP is to solicit bid proposals from qualified bidders on behalf of the New Jersey Department of Human Services (NJ DHS), to promote various programs and provide creative services as necessary.

Refer to [RFP Section 3.0](#) (Scope of Work) for specific tasks to be performed under this contract.

The intent of this RFP is to award a contract to that responsible bidder whose bid proposal, conforming to this RFP, is most advantageous to the State, price and other factors considered.

The projected budget for the first year of this contract is anticipated to be \$2 million.

1.2 BACKGROUND

This section provides bidders with a snapshot of NJ DHS and its programs and advertising needs.

These programs include but are not limited to: NJ FamilyCare, the Safe Haven for Infants program, Foster Care and Adoption through the Division of Youth and Family Services (DYFS) and others. The project sponsor is the NJ DHS and its divisions, offices, sections and units including: The Division of Youth and Family Services, the Division of Developmental Disabilities (DDD), The Division of Disability Services (DDS), the Division of Family Development (DFD), the Division of Medical Assistance and Health Services (DMAHS), the Division of the Deaf and Hard of Hearing (DDHH), the Division of Mental Health Services (DMHS), the Commission for the Blind and Visually Impaired (CBVI), the Office of Education (OOE) and the Office for Prevention of Mental Retardation and Developmental Disabilities, among others.

Under the direction of the Commissioner, Department of Human Services (Commissioner), NJ DHS is dedicated to providing high quality services and resources to protect, assist and empower children at risk, economically disadvantaged individuals and their families, and people with disabilities. NJ DHS' diverse and complex responsibilities focus on protecting the vulnerable citizens of New Jersey. In addition to providing protective services and healthcare, NJ DHS and its more than 19,000 employees are responsible for protecting children at risk, promoting comprehensive systems of care for people with developmental disabilities and people with mental illness, providing financial assistance to families struggling with medical expenses, overseeing six psychiatric facilities, operating 7 residential centers, administering the state's welfare program, offering information and referral services, providing financial assistance to grandparents and other relatives who are caring for a family member's child/ren, providing year-round educational programming for students.

The mission of the NJ DHS is centered on the advancement of the quality of life for the people it serves through its various programs and initiatives. In this regard, NJ DHS works to provide a seamless array of services through partnerships and collaborations with communities and organizations throughout the State. With 9 divisions/offices as well as independent commissions and boards, NJ DHS has a wide range of responsibilities.

Recently NJ DHS signed a settlement agreement to resolve a federal class action lawsuit against the NJ Division of Youth and Family Services. This agreement assures that the NJ DHS will take steps to ensure the safety of children in DYFS care. This agreement sets the framework for the transformation of child welfare and protection in New Jersey. A significant piece of this transformation and the settlement agreement involves a foster parent recruitment effort.

The contractor awarded this RFP will be involved in the design of a campaign to increase foster parent recruitment and increase adoptive care.

If the response was developed as a partnership, joint venture, or includes subcontractors, the bidders must indicate which services each entity will provide. Case Study: The bidder must provide some examples of prior campaigns performed by the bidder that demonstrate its capacity to fulfill the scope of work requirements of a campaign for NJDHS. The examples should demonstrate: strategic development, creativity in each medium intended to be used in the NJDHS

Campaigns, use of research and audience targeting, consumer marketing, success and the methodology used to measure results. The bidder may provide any and all materials specifically and directly related to the case study.

Background for assignment preparation:

Foster parent recruitment – in the framework of New Jersey’s efforts to transform the child welfare and protection system, one of the State’s primary goals is to recruit additional foster care parents for older children and “boarder babies”, infants who remain in the hospital after they have been medically cleared. Currently there are not enough foster parents in the state to take care of the thousands of children in need. The shortage of foster homes, especially for older children and boarder babies, has hurt the adoption effort because most adoptions of children in state care are by foster parents. Among the obstacles NJDHS faces in recruiting foster parents are: the lack of foster parents who are willing to foster sibling groups; the lack of viable foster alternatives for children with extensive medical and/or behavioral issues and the lack of appropriate foster homes.

The bidder is urged to examine the State’s web site (www.state.nj.us) regarding NJDHS’ programs and services to enhance its knowledge of NJDHS.

The bidders must perform the following assignment:

(a) The bidder should provide a mini campaign consisting of a suggested creative theme, strategy and media plan for effectively communicating to the public that there is a great need for foster parents, especially for older children and boarder babies. This campaign should communicate that there is a diversity of children in the system so there is a great need for a diversity of foster parents.

(b) The bidder shall develop a mini campaign that provides an allocation of the budget based on its bid proposal for Foster Parent Recruitment. Describe a campaign strategy that defends the weighting on the basis of return on investment, emphasizes added value through integration of marketing disciplines, and addresses media buying by which success can be measured against the attainment of the NJDHS’ goals (goals are referenced in Section 1.2).

Bidder should submit sufficient detail in the bid proposal to show that it possesses the creative and administrative talents to successfully meet the needs and goals of the program. The bidder should set forth a rationale for the creative approach and a demonstration of the coordination of the advertising, communications/public relation’s strategies.

The bid proposal may include samples of copy and other creative materials, media planning and execution strategies and whatever else the bidder deems pertinent and necessary to demonstrate its ability to fulfill the specific requirements of this contract.

The bidder shall provide a budget for the assignment, using the hourly, task and commission rates set forth by the bidder in [ATTACHMENT 4 - PRICE SCHEDULE](#).

6.0 PROPOSAL EVALUATION/CONTRACT AWARD

6.1 PROPOSAL EVALUATION COMMITTEE

Bid proposals may be evaluated by an Evaluation Committee composed of members of affected departments and agencies together with representative(s) from the Purchase Bureau. Representatives from other governmental agencies may also serve on the Evaluation Committee. On occasion, the Evaluation Committee may choose to make use of the expertise of outside consultant in an advisory role.

6.2 ORAL PRESENTATION AND/OR CLARIFICATION OF BID PROPOSAL

A bidder may be required to give an oral presentation to the Evaluation Committee concerning its bid proposal. The Evaluation Committee may also require a bidder to submit written responses to questions regarding its bid proposal.

The purpose of such communication with a bidder, either through an oral presentation or a letter of clarification, is to provide an opportunity for the bidder to clarify or elaborate on its bid proposal. Original bid proposals submitted, however, cannot be supplemented, changed, or corrected in any way. No comments regarding other bid proposals are permitted. Bidders may not attend presentations made by their competitors.

It is within the Evaluation Committee's discretion whether to require a bidder to give an oral presentation or require a bidder to submit written responses to questions regarding its bid proposal. Action by the Evaluation Committee in this regard should not be construed to imply acceptance or rejection of a bid proposal. The Purchase Bureau buyer will be the sole point of contact regarding any request for an oral presentation or clarification.
